

## Rating Action: Moody's affirms Bayfront Infrastructure Management's P-1 commercial paper program ratings

---

28 Aug 2023

Singapore, August 28, 2023 -- Moody's Investors Service has affirmed the Prime-1 (P-1) local and foreign currency short-term debt ratings assigned to Bayfront Infrastructure Management Pte. Ltd.'s \$500 million euro commercial paper (CP) program. There is no outlook on these short-term ratings.

### RATINGS RATIONALE

The P-1 ratings is based on the Government of Singapore's (Aaa stable) guarantee on notes issued under Bayfront's CP program. The guarantee covers principal and interest amounts of up to \$500 million and \$50 million, respectively.

Key terms of the guarantee meet Moody's principles for applying credit substitution. Specifically, the guarantee is unconditional, irrevocable and covers payments that have been rescinded, repudiated or clawed back. It also extends until the term of the underlying obligations. Further, the guarantee is governed by laws in Singapore, a jurisdiction that Moody's deems as hospitable to guarantee enforcement.

However, the guarantee terms lack an explicit waiver on defenses and include a 15-day period for payment upon notice of demand, which are not ideal features under Moody's credit substitution methodology. Nevertheless, the agency expects the Government of Singapore to pay Bayfront's creditors without delay, considering its very strong credit standing and the contingency processes that are in place.

### FACTORS THAT COULD LEAD TO AN UPGRADE OR DOWNGRADE OF THE RATINGS

An upgrade of Bayfront's CP program ratings is not possible because they are already the highest under Moody's rating scale.

A downgrade of Bayfront's CP program ratings is unlikely, given the stable outlook on the Government of Singapore's sovereign rating. Moreover, a downgrade of the CP program ratings would require a multi-notch downgrade of the sovereign rating.

The principal methodology used in these ratings was Guarantees, Letters of Credit and Other Forms of Credit Substitution Methodology published in July 2022 and available at <https://ratings.moodys.com/rmc-documents/386295>. Alternatively, please see the Rating Methodologies page on <https://ratings.moodys.com> for a copy of this methodology.
